

## NEW ZEALAND ICE FIGURE SKATING ASSOCIATION

### FEBRUARY 2016 NEWSLETTER

#### SKATER DEVELOPMENT TRAINING CAMPS

A very successful skater development camp was held in Auckland Friday 22-Sunday 24 January. This camp was moderated by Debbie Darvill and Marina Tsevina, and provided a great start to the skating season for those that attended.

In addition, NZIFSA provided support for skaters to attend a skater development camp in Christchurch Monday 18 – Friday 22 January.

#### NZIFSA Development Camps in April with Manon Perron

As mentioned in the last two newsletters, NZIFSA are organising a further development camp in Dunedin (26-28 April), and one in Auckland (29 April - 1 May), with Olympic Solidarity funding via the New Zealand Olympic Committee (NZOC). These camps are for our NZIFSA Development Squad members, any of our other skaters that are Juvenile level or up, and our Level 1 and up coaches. We're very excited to have Manon Perron as the primary moderator for these camps. Information about these camps and registration forms were emailed out two weeks ago. Registration forms and payment are due by 5pm Friday 8th April, 2016. ## **NEIL GAMBLE'S PASSING**

Very sadly, Neil Gamble died on Sunday 3 January following a courageous battle with cancer.

The following is from an email to DISC members from Morgan Figgins

*Many of you will know Neil as the person who along with his curling buddies toiled endlessly to ensure that Dunedin had an ice rink after the Big Chill on Kaikorai Valley road closed down. He was determined to build a new facility. Not only did he convince the Council it was a good idea, but once the building was secured he spent endless hours ensuring that the rink was built to his standard, whether it was seeking funding, laying the insulation and the pipes, or building the "best ice in New Zealand". He set very high standards.*

*He managed the current rink for the first eight years and will be remembered for running a tight ship. Without Neil's persistence there would be no ice arena in Dunedin today.*

*Neil helped so many struggling young skaters to learn business skills behind the counter. He was so good to his staff and protected them in all sorts of situations. There was so much good in him and I was very lucky to have had him a part of my skating career; supporting me with a job, funding and ice time to train. I would've never represented New Zealand in Junior & Senior Worlds and many other competitions if it wasn't for his kind heart. He may have come across a little scary/grumpy at times but if you knew him you'd agree that it's once in a life time that you come across a sense of humour like his and it's extremely sad to see the world without it.*

## **STROKING SEMINARS FOR COACHES AND OFFICIALS**

The first of the stroking seminars to work with coaches and officials on the new stroking tests took place in Auckland on Sunday 13 December. Further seminars were held in January in Christchurch and Dunedin for coaches and Officials in those areas. The requirements for the new stroking tests are all on the NZIFSA website, and coaches and officials will be sent copies of the stroking manual this week.
