

NEW ZEALAND ICE FIGURE SKATING ASSOCIATION

June 2016 NEWSLETTER

This very brief newsletter is written from Dubrovnik, where Sandra Williamson-Leadley, Jeanette King and Connor McIver are attending the ISU Congress. Five days of sitting in meetings working through 150 pages of proposed changes to the ISU Constitution and General Regulations, or the Special Regulations or Technical Rules for the various skating disciplines. As mentioned in the last newsletter, this is a particularly significant Congress, as all the ISU positions are up for election this year when normally an election would have been held in 2014. Lots of politicking, but a very beautiful location.
